

 **Print Shop Pro**® Module
COLOR THEMES

Colors Are Critical To The
Branding Of Your Organization

Honor your brand and ensure a seamless User experience by customizing your Print Shop Pro® website with Color Themes.

Easily customize the colors, fonts and background of all customer-facing pages in Print Shop Pro® to match the exact colors of your website.

Color Themes enables quick customization of your Print Shop Pro® website.

- ▶ Ensure a seamless User experience.
- ▶ Reinforce your brand.
- ▶ Instill pride.
